

JULY 5, FIREWORKS IN FORT BRAGG

There will be fireworks in Fort Bragg this year, thanks to some incredible cooperation and efforts from the City of Fort Bragg, the Fort Bragg Promotion Committee, Fort Bragg Police Department, the [Mendocino Coast Chamber of Commerce](#), Pyro Spectaculars...and a lot of volunteers.

Fireworks will be at Pomo Bluffs Park on Todd Point at dark (around 9:00PM) on Saturday, July 5th. All roads on Todd Point will be closed at 5:00PM for everyone except Todd Point residents and their guests. Limited parking will be available at the Carlson/Patton property and at College of The Redwoods until full. To help with expenses, a \$5 parking donation is requested. The \$5 parking is to raise funds for seed money for next year.

Vehicles with a valid disabled persons placard or license plate may park in the Pomo Bluffs Park parking, again on a first-come-first-served basis. An area of the park will be fenced for a fireworks safety buffer area. The rest of the park is pedestrian traffic only that night. Everyone is asked to be respectful of private property; please do not trespass or enter the safety buffer area. Fort Bragg Police Department has a zero tolerance policy on trespassing and on personal fireworks. Any questions about parking, contact Sgt. Charles Gilchrist of the Fort Bragg Police Department at 961-2800 ext. 112.

That said, this should be a fun event, continuing the longest running fireworks on the coast. Pyro Spectaculars has a great record and have worked hard to put together an exceptional show. Fireworks can be viewed from the park, the parking lots, College of The Redwoods, Noyo Beach, the Noyo Bridge pedestrian walkways and many other public spots. Again, please stay off private property.

For more information call the Mendocino Coast Chamber of Commerce office at 961-6300.
