Encroachment Permit has been obtained from the Department of Transportation. Required whenever any construction is planned within the public lands or public road reservations that will result in a permanent alteration of existing facilities.

Transportation Permit has been obtained from the Department of Transportation. Required when vehicular equipment used by Permittee will exceed allowable dimensions and weight limits as specified by State law and County ordinance.

Unless provided herein, Mendocino County vehicles, uniforms, insignia and equipment shall not be used by Permittee.

The following conditions are made a part of this permit and are agreed to by the Permittee. Any failure to comply with those conditions makes this permit null and void.

1. Permittee agrees to comply with all applicable Federal, State and local laws, regulations and ordinances and to maintain the public property used in good condition and to return any County public property used in the same condition as the property was before use of the same was permitted hereunder, damage by the elements or acts of God excepted.
2. When filming within a public road reservation, Permittee shall minimize interference with public traffic (vehicular and pedestrian). Traffic flow permitting, Permittee may close the requested public roads or sidewalks for a period not to exceed five (5) minutes. A minimum interval of two (2) minutes shall be provided between successive closures. When requested by County, Permittee must post Mendocino County streets for parking or shooting 24 hours prior to call time.
3. Permittee waives all claims against County, its officers, agents and employees, for loss or damage caused by, arising out of, or in any way connected with actions, caused by Permittee. Permittee agrees to same harmless, indemnify, and defend County, its officers, agents and employees, from any kind and all loss, damage or liability which may be suffered or incurred by County, its officers, agents and employees caused by Permittee in the exercise of the rights hereby permitted.
4. County shall have the privilege of inspecting the premises covered by this permit at any or all times. Such inspections should not interfere with the filming. If Permittee fails to conform to the conditions of this Permit, County reserves the right to cancel this Permit upon presentation of evidence of due cause. No alteration or variation of the terms of this permit shall be valid unless made in writing and signed by the parties hereto.
5. Unless greater coverage is requested by County, Permittee agrees to furnish to the County evidence of auto and comprehensive general liability insurance, in form of certificate, covering the entire period of this permit with limits of not less than \$1,000,000 combined single limit of insurance equivalent, naming the County of Mendocino, its officers, agents, employees, and servants as additional insured, and providing that the policy shall not be canceled without thirty (30) days prior written notice to County.

Permittee further agrees to provide legal evidence in the form of an insurance certificate or equivalent, that it has in effect for entire period of permit, broad form third party property damage insurance of at least \$1,000,000, covering property that may be damaged by action of the Permittee during permit period with the County as a named additional insured.

It is agreed that County shall not be liable for the payment of any premiums or assessments on any insurance required in this agreement. In the event Permittee fails to keep in effect insurance coverage as required by this agreement, County may terminate this permit upon the occurrence of such event.

6. Permittee shall ensure that adequate members of the California Highway Patrol are on scene for traffic and crowd control whenever vehicular or pedestrian traffic may be affected. Permittee shall provide necessary signs to warn traffic as deemed necessary by that agency.
7. Permittee agrees that production vehicles and/or personnel will not be permitted on private property unless permission is obtained from all applicable property owners.
8. No littering is permitted. The area must be cleaned up completely when leaving the location.
9. When initialed by the below County Administrative Officer or Designee _____ this document serves as a LIMITED ENCROACHMENT PERMIT allowing temporary construction, road blockages (including sidewalks), sign posting, parking on or within public land, or public roads, excluding State highways. The following exceptions may apply:
